Care with courage

Welcome to Royal Star & Garter

Since joining this amazing charity, I have been humbled by the extraordinary courage our residents show on a daily basis. They join us once they need our support, or feel they are no longer able to live independently. We have the privilege of ensuring that the veterans and their partners we care for can lead happy and fulfilled lives. The teams in our three Homes are nothing short of exceptional, while colleagues in Central Services provide unrivalled support.

We are looking for an experienced and enthusiastic individual with solid fundraising skills to join our Partnerships Team. You must be able to demonstrate exceptional donor care and have a track record in effectively generating income utilising community engagement, supporter journeys and fundraising events. You will need to work closely with colleagues across Royal Star & Garter, including the teams in each of our three Homes, to generate community support to meet both fundraising and wider goals.

We are looking for someone who shares our values and is confident in being part of a wide number of teams. Hybrid working is still in place and so your ability to work independently to achieve agreed outcomes is also key. We would expect this person to be visiting our Homes regularly to strengthen relationships with local supporters and understand how to best to engage with new individuals and groups with a focus on donating, taking up our services or volunteering to help meet the needs of our residents.

If this is you, then we look forward to receiving your application. Thank you for your interest.

Caley Eldred
