Care with courage

Welcome to Royal Star & Garter

Thank you for your interest in Royal Star & Garter.

Since I joined this fabulous charity I have been amazed and humbled by the passion and dedication of every member of staff. It is this that led us to be awarded the highest possible rating by the CQC – 5 outstandings. Our teams in our three Homes are nothing short of exceptional in the care they deliver, while our teams in Central Services provide unrivalled support.

I am looking for someone really special to join us as a physiotherapist. My ideal candidate will be someone confident in supporting our amazing veterans. It is a role that will suit a physiotherapist who is driven, motivated and has the ability to lead by example.

More importantly it matters to me who you really are. We strive to live our values in everything we do and we want the people who join us to do the same. Having the right person join us matters.

Our care

We provide loving care for veterans and their partners who live with disability or dementia in three state-of-the-art Homes, ensuring they are respected as individuals. We meet their needs in an appropriate, personalised and compassionate way and this is supported by highly skilled and motivated staff. We constantly evolve our services and innovate our care to meet present and future need and this now includes younger veterans, a day care service and plans for an outreach project later this year.

About us

Our future

Today, we run three Homes where we deliver an unparalleled level of specialist nursing care for veterans and their partners, including award-winning dementia care. We are developing our services to provide day care across all three Homes, an outreach service and care for younger veterans.

Our knowledge

We have over 100 years' experience in providing pioneering nursing and therapeutic care to veterans living with disability and dementia. We are committed to sharing our knowledge and skills with other organisations to promote better care for all veterans and older people. We partner with health care, military and academic organisations for the benefit of our local communities.

Sharing our experience

We are passionate about innovation in our care to improve the lives of veterans and their partners and we are ideally placed to provide training. Our Homes offer military nursing student training and placements to Nursing Associate Trainees as part of an NHS pilot scheme.
