Care with courage

# Welcome to Royal Star & Garter

Thank you for your interest in Royal Star & Garter.

Since I joined this fabulous charity in August 2009, I have been amazed and humbled by the passion and dedication of every member of staff. Our teams in our three Homes are nothing short of exceptional in the care they deliver, while our teams in Central Services provide unrivalled support.

I am looking for someone really special to join our Registered Nursing Team. My ideal candidate will be someone confident in providing high quality nursing care to the amazing veterans that we support. It is a role that will suit a Registered Nurse who is driven and motivated. Has the courage to go the extra mile for the residents.

We strive to live our values in everything we do and we want the people who join us to do the same. We are committed to investing in our staff – in skills, behaviours and well-being. We have a comprehensive training offer for our staff and your continued professional development is important to us. We are looking for people who share our values, people with passion and dedication who want to work as part of a team, and people who want to make a difference to others. If this is you then I look forward to receiving your application.

# About us

## Our mission

---

Royal Star & Garter was founded in 1916 to care for the severely injured young men returning from the battlegrounds of the First World War. Today, our mission is to provide an outstanding range of quality care and therapies to veterans and their partners living with disability or dementia.

## Our care

---

We provide loving care for veterans and their partners who live with disability or dementia in three state-of-the-art Homes, ensuring they are respected as individuals. We meet their needs in an appropriate, personalised and compassionate way and this is supported by highly skilled and motivated staff. We constantly evolve our services and innovate our care to meet present and future need and this now includes younger veterans, a day care service and plans for an outreach project later this year.

# About us

## Our future

---

Today, we run three Homes where we deliver an unparalleled level of specialist nursing care for veterans and their partners, including award-winning dementia care. We are developing our services to provide day care across all three Homes, an outreach service and care for younger veterans.

## Our knowledge

---

We have over 100 years' experience in providing pioneering nursing and therapeutic care to veterans living with disability and dementia. We are committed to sharing our knowledge and skills with other organisations to promote better care for all veterans and older people. We partner with health care, military and academic organisations for the benefit of our local communities.

## Sharing our experience

---

We are passionate about innovation in our care to improve the lives of veterans and their partners and we are ideally placed to provide training. Our Homes offer military nursing student training and placements to Nursing Associate Trainees as part of an NHS pilot scheme.

# Surbiton

With its stunning foyer and relaxed, spacious lounges, our Surbiton Home offers a warm, friendly welcome. Highly trained staff provide specialist nursing and dementia care in comfortable surroundings, where the focus is always on the individual.

# High Wycombe

Our High Wycombe Home is our newest and has been designed for the comfort and well-being of our residents. Specialist nursing and dementia care is offered in a relaxed, homely environment, where residents can enjoy the many activities, share their day with friends or enjoy time in the spacious lounges and landscaped gardens.

# Solihull

Our Solihull Home offers a warm welcome to residents and their families. The Home is rated 'Outstanding' by the Care Quality Commission in all five areas and staff provide specialist dementia and nursing care tailored to the needs and wishes of each individual. Every aspect of the Home has been designed with our residents' well-being in mind.
