Care with courage

Welcome to Royal Star & Garter

Thank you for your interest in Royal Star & Garter.

Since I joined this fabulous charity in summer 2024, I have been amazed and humbled by the passion and dedication of every member of staff. Our teams in our three Homes are nothing short of exceptional in the care they deliver, while our teams in Central Services provide unrivalled support.

We are looking for someone with excellent analytical, problem solving, and decision making skills. The ideal candidate would be someone who has attention to detail, with a strong commitment to detail. A background in healthcare or not for profit sector would be desirable.

We strive to live our values in everything we do and we want the people who join us to do the same. Having the right people join us matters and key members of the Team will support the recruitment process. We are committed to investing in our staff – in skills, behaviours and well-being. We have a comprehensive training offer for our staff and your continued professional development is important to us. We are looking for people who share our values, people with passion and dedication who want to work as part of a team, and people who want to make a difference to others. If this is, you then I look forward to receiving your application.

Job description

Purpose

- To ensure that, at all times, residents are treated with respect and dignity and that individuals' rights to privacy, independence and choice are met with kindness and compassion.
- To manage the day to day provision of care as an integrated member of a multi-disciplinary care team, leading the floor when the nurse is engaged elsewhere and providing high quality personal care to all residents according to their needs and expectations.
- Successfully complete and practice the Royal Star & Garter HCA Competency Framework.

Key tasks

- To work in accordance with the issued Code of Conduct
- Fully participate in the Key Worker Scheme, supporting the role of the keyworker
- Support all individual aspects of resident care and wellbeing in line with care plans, promoting independence, decision making and respect
- Complete clinical activities, following training, including, but not limited to, administering medication, tissue viability and oral care
- Maintain accurate records and documentation of residents' holistic care needs across all platforms and in compliance with organisational policy and data protection practice
- Actively participate in and promote the wellbeing activities and outings of the Home's programme and enable residents to safely take part in the activities of their choice
- Communicate effectively with all colleagues, visiting health professionals and residents, ensuring that any information exchanged is accurate, relevant and appropriate
- Strive to continuously improve resident safety, care and well-being: sharing areas for improvement with your care team or line manager; and raising concerns in a timely manner.
- Be flexible in working with our residents across any House in the Home: establishing rapport, acting professionally and demonstrating an understanding of their personal circumstances to ensure the provision of high-quality, person-centred care
