Create your star

We invite you to create and dedicate a star for a loved one this Christmas. If you can join us to watch the film on Sunday 6th December at 3pm, there will be a special moment for you to place the star on your Christmas tree.

What you will need: Scissors*, card, glue, ribbon or tree decoration hook.

*Please ask a parent or guardian to help when cutting and gluing the stars.

Steps:

1. Download, print both stars (in colour or black and white), and cut them out.
2. Use one of the stars as a template to draw around onto a piece of card to make it sturdier.
3. Cut the star shape out of the card.
4. Stick the front and back designs onto either sides of the card.
5. Use a hole punch to create the hanging hole at the top point of the star.
6. Write your loved one's name and message on the front of the star.
7. Add some ribbon or a hook and your star will be ready to hang on display in your home.

Please send photographs of your star in place to starlight@starandgarter.org or share on your social media – don't forget to tag us by using [@starandgarter](#) (Facebook and Twitter) or [@royalstarandgarter](#) (Instagram)
